

Large base of existing clients located in New & California Mart

80%
of our business
is referrals and repeat customers

"I learned about Fountainhead from another of their clients. Our network, computers and email now work without a hitch, but the attention is personal and consistently available."

Kay Sides, Owner, HATCh Inc.

"Knowing what it takes for a retail store to operate, Fountainhead set up our inventory system and ensures smooth running in both of our business locations."

Karen Damskey, Owner, L'Atelier

Finally
computer support
tailored
for the fashion industry.

So your computer
can do it's job,
& you can
concentrate on yours!

Don't waste time with day-to-day computer problems when you could be working:

Instead of wasting your valuable time fixing common computer problems, let us handle it. Fountainhead is a small network solution provider, able to offer affordable rates and personal attention because of our existing presence in New & California Mart. Our engineers specialize in software used by the fashion & retail industry such as:

ManRes

Retail Pro

Microsoft Office Suite

Microsoft Outlook

Windows 2000 & XP

Cisco & Microsoft Certified
